

Calvary Baptist Day School will be using a new drafting service in 2010/2011 called Pay Easy administered by Tadley, Inc. This monthly draft will replace the currently used Wachovia system. To authorize us to use this service for your account starting with the August charges, please complete the attached authorization form and return it with a voided check for the indicated checking account.

You will have the option of selecting whether you want your payment to occur on the **10th or 25th** of the month, giving you the flexibility to manage your cash flow. Your account will be charged for the tuition and fees owed each month, less applicable discounts or scholarships. Should a bank draft be rejected by your bank for any reason, return check charges may apply.

Authorization For PayEasy Electronic Payments

By completing this form you authorize Tadley, Inc., on behalf of Calvary Baptist Day School, to debit your bank account for the payment of tuition and fees. Fees can include authorized charges such as book fees, trips, school supply purchases, late fees, or other similar charges. I understand that I will receive an email 5 days before the actual draft date notifying me of the total amount of the draft. I also understand that I can see the detailed charges for the draft by going to my RENWEB account at any time.
